The simple truth is that fake Google reviews can damage a business's reputat

ion and lead to losing potential customers. While these fake reviews are becomin

g increasingly difficult to spot, there are some steps you can take to identify

them and remove them from your listing.

As online scammers become increasingly clever. They are using fake reviews to di

scredit small businesses, when they are paid by competitors. Although these over

seas companies have learned to fine-tune their shady operations in publishing fa

lse reviews for paying clients, Google's AI is not too far behind the learni

ng curve.

However, false reviews can have a significant adverse impact on your new custome

r experience when they read your business reviews.

If fake reviews are, unfortunately, posted for your business - all is not lost.

You can still take action to remove fake reviews from Google and protect your re

putation. But here is the catch - you can't physically remove the post alone

Step 4 - Contact Google Support

Yes. Fake Google reviews are considered false advertising, which is illegal acco

rding to the FTC. In fact, several companies that have been caught trying to boo

st their credibility through paid endorsements on Google have been penalized by

Federal fines and penalties.

Connecticut Gov.

It passed retail sports betting in 2017, as a corollary to a fantasy sports bill
